

The Seven Last Words of Christ

As Jesus was dying on the cross, he said some very important words.

Using your Catholic bible or going online <http://usccb.org/bible/books-of-the-bible/index.cfm> (in Spanish <http://www.vatican.va/archive/ESL0506/INDEX.HTM>) and search for the following passages and to write down the words that Jesus spoke:

For example- Luke 23:34 (Father, forgive them, they know not what they do.)

- Luke 23:43

- John 19:26-27

- Matthew 27:46 and/or Mark 15:34

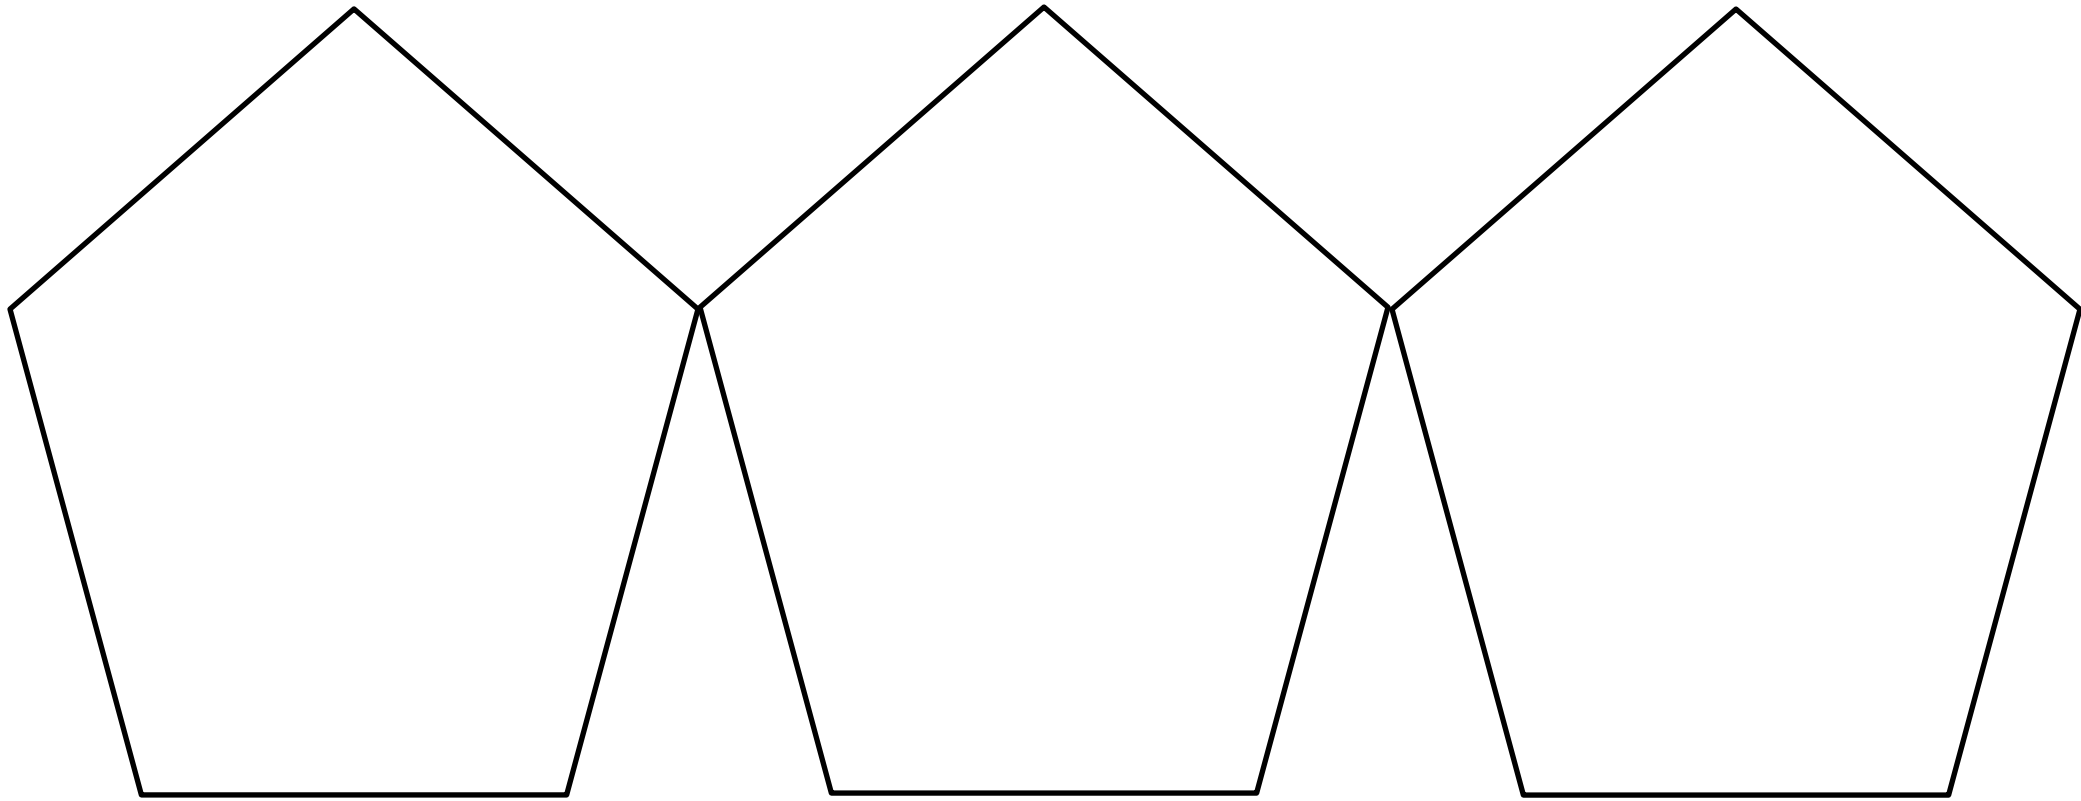

- John 19:28

- John 19:30

- Luke 23:46

Pick one that left an impression on you and explain what it means to you and why you chose that verse.
