

## **St. John the Evangelist Catholic Church Contractual Agreement 2019-2020**

**Role of Parents:** Parents are the primary religious educators of their children, seeking the help of relatives, friends and catechists to assist them in this role. They are responsible for witnessing religious values to their children, helping them develop a positive self-image and guiding them to become the best Christian person they can be. Parents are also encouraged to model our Catholic values by regular Mass attendance and service to the parish.

**Role of Students:** The student's role is to learn about our Catholic faith and grow in it. They are to accept themselves as the wonderful persons God made them to be with individual talents and abilities, as well as limitations. They hopefully will use these talents and abilities to help those around them. They are invited to accept God's grace and realize that religious education is a lifelong journey.
